

**P5232**

As Arnaud Gillet describes it in his book *Le Piege de Sedan*:

The Battle P5232 with mission accomplished, ended her faith in Flaba. Sgt. Williams, the observer died in a violent fire. AC Summerson luckily was thrown away from the plane on impact. With a bullet in his leg, loosing blood, quickly regained consciousness and attempted to help Sgt. Barker in the middle of flames but to no avail.
